Patronettes Participate In Jr. Orange Bowl Parade

Fifty Patronettes under the direction of Pat Anderson, participated in the Junior Orange Bowl parade Saturday afternoon in Miami. Six of the group were from South Bay.

The girls were in the first division and in 13th place in the parade. They did a bang up job of representing Belle Glade. Twenty adults were also there to see them parade.

Children Alive And Healthy Due To Heart Surgery

Heart Surgery performed in 1963 saved the lives of these three youngest shown with their mothers and a doctor active in the work of the Heart Association. L-r are Mrs. Henry South,

9381 Birmingham Dr., Riviera Beach, and daughter Debbie; Mrs. Raymond Seay, 307 E. Kalmar, Lake Park, and daughter Debbie; Mrs. Robert Peterman, 220 W. 12th St., Riviera Beach

and son Scott, with Dr. Donald Bicknell, West Palm Beach pediatrician.

Critically ill, surgery performed successfully, is responsible for three Palm Beach County youngsters being alive and healthy today.

The operations were made possible because of generous public giving to the work of the Palm Beach County Heart Assn. Dr. Donald Bicknell has advised the association.

Scott Peterman, who will be one year old Wednesday, was born with a heart defect. After six months last May, when doctors said that the aorta, main heart artery, was blocked, the chances were less than one in two that the baby could survive the operation.

This Christmas was indeed a happy one for Robert and Nancy Peterman, 229 W. 12th St., Riviera Beach, for Scott is now a happy, well baby who can frolic this holiday season with his three older brothers and sisters. The family has lived here five years. The father is a carpenter.

Debbie Seay, now five, was born with her third heart, an infant who had failed of normal growth, was always excessively fatigued and could not grow. Her general illness. A heart valve that was designed to close, never did. Her condition worsened, life expectancy was slight, and she had hope left in an otherwise normal life.

Let Us Lock To The Future

By Luther A. Key

The New Year means a new voyage for each of us. In taking a journey there are always some things to be left behind. A boat departs from a harbor and those aboard must leave the mainland, the city or town, the friends and family behind. So, in starting out on the New Year's voyage, there are certain things which will be only hindrances to the success of our lives and should be left with the old year.

As we look back over the past year, we find that we have collected certain bad habits which should not be taken farther on

The first of these is hope, a new hope. A discouraged man is never an efficient man. If your job is discouraging, change it, if your home is causing you trouble, get out of it. If it is honorable, then believe in it and make others believe in it. It is not only the business man who needs this hope in the future.

"Recent trends of principal indicators are in the majority favorable and furnish a glimpse into next year. While the startling gains of the sixties, former years, may not yet be evident, 1964 should be a year of steady and sound growth," he trade body said.

"Measured by bank debts,

"We Need Water — But Not Downpours"

"With Lake Okeechobee level below twelve feet, the Glades water, a lot of it, but not in the downpours which we have had in the past few days, and especially yesterday and today," said one of the Glades oldtime farmers."

The third of these that we need is a new a vital purpose. A purposeless life is as a boat without a rudder, it can go where we would like to have no aim in view. Everyone should be guided by a purpose, the better. Some people have a definite purpose, others have none to make money. However honorable that may be, let us not forget that as our life purpose. A certain modern rich man puts his life purpose in these words, "I live to serve the general welfare of my life, to help to service the world, and under that purpose I want to love and care for my family, love and live before the world so as to help others, to help the poor and the unfortunate, and only incidentally, to make money for personal expenses and gifts to others less fortunate." If we carry such a purpose as this into the future, we cannot help attaining our objectives.

"It is reasonable to expect," continued the Mayor, "that the completed plant will be in operation and service offered to our citizens about October 1st, 1964." South Bay is currently getting its water supply from Belle Glade, has a fully operative plant designed by Brock, Weber & Brookway engineers of West Palm Beach, and there is already a standing tank in operation.

Water lines are now laid in a greater part of the City, and this plus anticipates water service to the entire City.

The plant, as designed, will secure its fresh water from Lake Okeechobee, thru the Rim Canal at a point south and west of the Hurricane gates.

Another thing we need as we look back over the past year and the future is new life. The greatest fault of mankind is that we think we cannot change for the better. We lack faith in ourselves. Oliver Cromwell said, "I have but to believe to be good." This is a true statement. If we are not better in the future, we will surely fail to attain our purpose, but we already have tried in vain. The other two get their chances next month.

A half-game back of the

JOY — Unrefined
But — Confined!

Christmas and the Holidays produced JOY in the city limits, a LOT refined and some unrefined — but finally confined!

The City Police had 73 cases from the 24th through Monday the 13th. Some of the offenders, some just wanted to fight, some that got right earned in their desire to commit mayhem.

There were just plain drunks, some that were argumentative, and some that were fought with their fists, while some of the most notorious, the most convenient weapon from bar slats to knives and a case or two of firearms.

Some enthusiastic hip-pocket merchants got careless in displaying joy water, disregarding the fact that they had no license and some just forgot the closing hours.

Twenty-two police "customers" had bonds set at \$25, six at \$50, twelve at an even hundred, while one had to post a thousand dollars.

There were nine \$250 customs and three got soaked \$500 for bond money.

Traffic cases were light for the season, with a few technical infractions, but the traffic violation didn't include recognition of stop signs; a couple drove around without bothering to get licenses, and that's bad."

"Altogether, it wasn't a bad Christmas" one oldtimer said.

If you have any questions about social security, visit the local Social Security office or get in touch with the mail. The office is open Monday through Friday from 8:30 to 4:30, except national holidays (Telephone TE 3-8461).

If you cannot come to West Palm Beach, a Social Security representative will be at the following places on the dates and times shown.

Belle Glade, 9 to 12 Monday, 1/2, Feb. 10, 14, Mar. 9, 13, 17, 21, 25, Feb. 16, 20, Mar. 9, 23, Clewiston, 9:30 to 12 Wednesday, Personnel Office U.S. Sugar Corp. Jan. 15, 29, Feb. 12, 26, Mar. 11, 25.

Pahokee, 9 to 12 Wednesday, 2nd Floor City Hall, Jan. 8, 22, Feb. 5, 19, Mar. 4, 18.

You are invited to include the Belle Glade Church of Christ, 125 N. W. Avenue D, in Your plans for the New Year.

For a Prayer For
... The New Year

Lord of all life, O God of the

fleeting years, we look unto thee

with hearts of gratitude and thankfulness. We thank thee for the days gone by. We are grateful for the passing year.

With the life and love it gave us.

With the friends it made us;

With the opportunities it afforded us;

With the showers of mercy it sent us.

Then he brought us to the borderline, to the beginning of a new era. Now, as we stand on the threshold of another year, we pray these:

For you to continue to think Holy thoughts;

For the strength to live on higher level;

For a vision of higher things;

For a conquering spirit;

For you to stand by the storm and ride the waves.

Two months, unlined and unsullied, lie ahead. We thank thee for their challenge and for their possibilities. As we launch into the unknown sea, may we not be afraid. Guide us through the shadowy paths and the dark ocean. May the light dawn at last in Jesus' name. Amen. (Book of Prayers, p. 88)

UNCLE DAN from DOOLIE says:

Dear Mister Editor:

I been busy killing hogs and trying to gather up some figures for my 1963 income tax report and I am still trying to make my annual predictions on the New Year. But it's safe to put things for 1964 in a nutshell and predict taxes will edge up a bit, the cost of living aid friends will report prompt and often at the give-away table.

Us small farmers and ranchers has to git our income tax report in by February 15, two months ahead of everybody else and I am still working on mine due after Christmas.

Hog killing is easy to handle, but on account of the expert system I use for keeping books, my tax reporting is a complicated operation.

As a perfection agin fire and theft, I keep records scat-

tized expenses is wrote down in the barn door, fer instant, and I am still putting expenses on the side and in her house wall. My old lady keeps the cash-received figures in her Sunday pocketbook. By the time I git 'em all rounded up and ready for scientific tabulation, Fer, I am about as good as none. All my life, Mister Editor, I been running a dollar short, and a day behind and it ain't no different with my income tax report.

And speaking of what mat-

ters, I am by the papers where this肥者 that runs the U.S. Internal Revenue Service in Washington is overflowed with joy on account of the fine record his office set in 1963. He announced our country in 1963 "set a new world record in tax collections, the Federal Tax collections amounting to 106 billion dollars." He goes on to say "this is the greatest amount of money ever collected by any country in one year in the history of the world."

As a taxpayer, Mister Editor, I'm mighty proud of this wonderful achievement by our Government. I am bound to share your news and I am shoo you and your subscribers will join me in gitting jubilant about the matter.

Actual, the figures might run a little higher if it wasn't for some mistakes them boys make once in a while. For instant, I seen where the school board at Rochelle Park in New Jersey got a income tax refund for \$105,000 from the Internal Revenue office. Birmingham, Alabama. They wrote the Birmingham office and told 'em that schools didn't pay no income tax and what was they do with the check? The Birmingham office told 'em to take the money up with the District Director of Internal Revenue in Rochelle Park. They wasn't nothing by

that name there and the last I was reading about it in the pa-

pers, the school board was still holding the check.

I think I'll mail my 1963 tax-

to Birmingham. I might git 'em back.

Yours truly,

Uncle Dan

Nazarene Church Shows Progress

Through some rather generous donations from people outside the church, the Church of the Nazarene, Belle Glade has made considerable progress.

Among the gifts have been a better heating system, a new roof, and steeple installation of two air conditioning units, grading the yard to raise the level of the church yard about one foot. In addition to these improvements, two weeks ago two men visited the church for the first time and requested a full system of lights, way sign at their own expense.

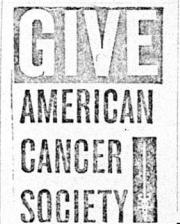

Few of any of these gifts were

pledged, but they are certainly all appreciated.

At present the youth are buying pulpits, communion and a organ which has been appointed to accept some new church doors. Then, Rev. Ora Smith minister, remarked, we are planning to investigate sealing the church as several have offered to support this part of the improvement program. Nor is this the only area of endeavor, where improvement is being shown. The last two years we have shown a small increase in attendance and membership.

Six New Years — count them! Six sets of good resolutions — remember them? And now another year coming up . . . all too quickly . . . how they seem to rush by!

As always, the beginning of another year is a good time to consider what makes happier and better life is. And God is in it, and just as important is the resolution to share this knowledge with others.

True, any Sunday can be a new beginning. But strengthened by past experience, make this year a truly memorable one. Start taking your family to church regularly. Claim your birthright of peace and forgiveness in sincere worship.

THE CHURCH FOR ALL...

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is the most valuable value without a strings. Church neither demands nor expects payment. There are four sound reasons why every person should support the church. They are: (1) For his own sake, (2) For the sake of his wife, (3) For the sake of his children and nation, (4) For the sake of the world, which needs his moral and material support. Turn to go to church regularly and meet your daily duty.
